Context

The Strong Families, Safe Kids Advice and Referral Line is a contact point for people seeking information, advice and assistance if they have concerns about a child and their family. The service provides information and advice about service options and other approaches for responding to the needs of children and families. When a child and their family need assistance the service may provide this through referral to another service, or in some circumstances if a child is considered to be at risk, the service may refer the matter to the Child Safety Service for assessment.

Primary Purpose

Child Safety and Wellbeing Workers will:

- Conduct safety and wellbeing conversations to identify the most appropriate response in regard to the best interests of the child.
- Provide information and advice in relation to service options and other approaches to support the child and their family.
- Use risk and safety assessment frameworks and skills to determine when a child may be at risk and initiate an appropriate protective response.
- Activate a strengths-based response where a child is considered to be at risk and where work with the family and their networks is necessary to build safety for the child within their family context.

Provide information, advice and support to professionals and community members to build their capacity to work with families who are experiencing difficulties which are impacting the safety and wellbeing of their children.

Level of Responsibility/Direction and Supervision

Under general supervision from the Practice Leader (ARL), the occupant will be allocated to either the Primary (Initial) Screening and Triage Team or the Secondary Triage Team, depending on operational requirements.

Occupants can expect to receive training and support to work effectively across both triage functions and may be required to undertake duties aligned to either team to support service demand and continuity.

The occupant is responsible for:

- Exercising professional judgement within delegated authority, legislative requirements, policies, procedures, decision-making frameworks and required timeframes.
- Demonstrating integrity, confidentiality and respectful, client-centred practice in all interactions with children, families and callers.
- Ensuring compliance with Work Health and Safety requirements.
- Maintaining accurate, timely and defensible records of information, analysis and decisions in CPIS and related systems.

Primary Triage Responsibilities (where assigned)

When allocated to the Primary Screening and Triage Team, the worker is responsible for:

- Ensuring the timely and accurate receipt, recording and screening of notifications.
- Applying approved decision-making frameworks to determine appropriate initial pathways, including closure, referral or transfer.
- Analysing information, including relevant child safety history, to support sound and proportionate triage decisions.
- Making pathway decisions as promptly as practicable to minimise delays in responding to potential risk.

Secondary Triage Responsibilities (where assigned)

When allocated to the Secondary Triage Team, the worker is responsible for:

- Gathering and analysing information to assess safety and risk where immediate intervention is not required.
- Completing Initial Assessments and applying the Tasmanian Risk Framework to inform decision-making.
- Determining and progressing appropriate pathways, including referral, child safety assessment or closure.
- Presenting matters requiring assessment to the Weekly Allocation Meeting and managing matters retained within Secondary Triage in accordance with policy timeframes.

It is the responsibility of the occupant to actively participate, promote and model behaviours which are consistent with the Department's commitment to the safety and wellbeing of children and young people. This includes the prevention, identification and reporting of child abuse and behaviours which are not consistent with the Department's values.

The occupant is responsible for complying with all Agency policies and procedures, including those relating to fraud and corruption control, record management, confidentiality, conduct and behaviour, mandatory reporting, education, training and assessment.

The Department has a range of delegations across the operational portfolio's which include Finance, People Services and Support (HR) and Facilities. The occupant is responsible for ascertaining the delegations that are assigned to these duties and is expected to exercise any applicable delegations prudently and in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements.

Primary Duties

1. Answer telephone calls and conduct in-depth conversations with callers about the safety and wellbeing of children and their families.
2. Provide information and advice in relation to service options and other approaches for improving the safety and wellbeing of children.
3. Assist in creating a clearer understanding with callers in relation to the difficulties facing children and families to determine and negotiate who is best placed to provide support, and what support can and will be offered.
4. Access professional advice from co-located and external partners where the complexities of concerns about a child and/or their family require specialist expertise.
5. Apply risk and safety assessment frameworks and skills to determine when a child may be at risk and initiate an appropriate protective response as needed.
6. Provide a summary to the Team Leader for presentation at the weekly review meeting in relation to children who have been considered to be at risk and who required assistance and monitoring of their safety.
7. Activate a strengths-based response where a child is considered to be at risk and where work with the family and their networks is necessary to build safety for the child within their family context.
8. Ensure the safety and wellbeing of vulnerable people you may be working with (including children and young people) and immediately report any concerns, disclosures, allegations or suspicions of harm. Actively participate in and contribute to practices that will ensure the Department for Education, Children and Young People is a child safe organisation including reporting, record keeping and information sharing obligations.
9. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

Responsibility

Our values of **Connection, Courage, Growth, Respect, Responsibility** represent the foundation of our Department's culture and guide us in all that we do to ensure **Bright lives. Positive futures** for every child and young person in Tasmania.

We bring our values to life through our everyday behaviours and actions. We want to attract, recruit and retain people who uphold these values and are committed to building a strong values-based culture.

Our Department is committed to building inclusive workplaces and a workforce that reflects the diversity of the community we serve. We do this through a culture that ensures everyone is respected and has equal access to opportunities and resources. We recognise and respect individual differences as well as people's career path, life experiences and education, and we value how these differences can have a positive influence on problem solving, team dynamics and decision making within our organisation.

We are committed to providing a safe workplace for all employees and have zero tolerance to all forms of violence, including child abuse and harm. The Department is a smoke-free work environment, and smoking is prohibited in all State Government workplaces, including vehicles and vessels.

Employment within the Department is governed by the *State Service Act 2000*. All employees are responsible for ensuring that the standards of behaviour and conduct specified in the State Service Principles and Code of Conduct are adhered to. All employees are expected to act ethically and with integrity in the undertaking of their duties. Employees who breach the code of conduct may have sanctions imposed.

The State Service Principles and Code of Conduct are contained in the *State Service Act 2000* and can be found on the State Service Management Office website at <http://www.dpac.tas.gov.au/divisions/ssmo> together with Employment Direction No. 2 *State Service Principles*. All employees must read these and ensure they understand their responsibilities.

All employees are expected to utilise information management systems in a responsible manner in line with the DECYP Condition of Use policy statement located at [Department for Education, Children And Young People: Information technology policies](#)

Commitment to Children and Young People

This is a Department built entirely for children, young people and their communities. Our ultimate goal is to work together to ensure that every child and young person in Tasmania is known, safe, well and learning. The child is at the centre of everything we do, and the way we do it.

The Department is committed to providing a culturally safe environment which upholds the safety and wellbeing of all children and young people in Tasmania. The Department's Safeguarding Framework, *Safe. Secure. Supported.* underpins this commitment.

All employees must demonstrate and model behaviours which value and respect children and young people, show a commitment to child safety and wellbeing, and display an understanding of the developmental needs of children and culturally safe practices relevant to their position.
